

ABOUT US

Myran Industrie counts on a team of professionals who make sure to find the resource people in each of the appropriate fields.

As proof, we remain qualified in the field of personnel outsourcing and many of our customers recommend us.

The service offered by Myran Industrie is at the top of the list.

We specialize with welders, industrial mechanics and specialized laborers.

We see that our qualified workforce, the quality of our services offered by the company as well as our competitive rates are among the characteristics that make Myran Industry a highly recognized personnel rental company.

Our team is committed to building excellence while prioritizing the values of integrity, responsibility, thoroughness, quality of our staff and customer satisfaction
